

Bags and Rolls of America the Beautiful Quarters® Program Honoring White Mountain National Forest Available January 28

January 22, 2013

WASHINGTON — Beginning January 28, 2013, at noon Eastern Time (ET), collectors may order bags and rolls of circulating quality quarters honoring White Mountain National Forest in New Hampshire. The new quarter is the 16th coin released in the United States Mint's America the Beautiful Quarters Program, a multi-year initiative to celebrate our national parks and other national sites. The coin's reverse (tails side) design depicts Mt. Chocorua, the easternmost peak of the Sandwich Range, framed by birch trees. Inscriptions are *WHITE MOUNTAIN, NEW HAMPSHIRE, 2013*, and *E PLURIBUS UNUM*.

The coins included in the bags and rolls are struck on the main production floors of the United States Mint's facilities at Denver, Philadelphia, and San Francisco. Available options and pricing are as follows:

PRODUCT OPTION	MINT MARK	PRICE
Two-Roll Set (40 coins per roll)	"P" and "D"	\$32.95
100-Coin Bag	"P," "D" or "S"	\$34.95
Single Roll (40 coins)	"S"	\$18.95
Three-Roll Set	"P," "D" and "S"	\$46.95

This year, for the first time, the United States Mint will offer these quarters in a three-roll set that includes one roll each of circulating quality coins from its facilities at Denver, Philadelphia, and San Francisco. Unlike the "P" and "D" mint mark quarters, those with the "S" mint mark will not be released into circulation.

The special numismatic wrapping for the coin rolls displays the name "White Mountain National Forest;" the abbreviation "NH" for New Hampshire; "\$10," the face value of its contents; and "P," "D." or "S" for the mint of origin. The canvas bags have a tag with "White Mountain National Forest," "NH," and "P," "D." or "S."

Orders will be accepted at the bureau's online catalog at <http://www.usmint.gov/catalog> and at 1-800-USA-MINT (872-6468). Hearing- and speech-impaired customers with TTY equipment may order at 1-888-321 MINT (6468). Please add \$4.95 to all domestic orders for shipping and handling.

Collectors may also purchase the Program's bags and rolls through the United States Mint's Online Subscription Program. For more information about this convenient ordering method, please visit <http://www.usmint.gov/catalog>.

The United States Mint was created by Congress in 1792. It is the Nation's sole manufacturer of legal tender coinage and is responsible for producing circulating coinage for the Nation to conduct its trade and commerce. The United States Mint also produces numismatic products, including proof, uncirculated and commemorative coins; Congressional Gold Medals; and silver and gold bullion coins. The United States Mint's numismatic programs are self-sustaining and operate at no cost to the taxpayer.

Note: To ensure that all members of the public have fair and equal access to United States Mint products, orders placed prior to the official on-sale date and time of January 28, 2013, noon ET shall not be deemed accepted by the United States Mint and will not be honored. For more information, please review the United States Mint's Frequently Asked Questions, Answer ID #175.
